*Friends For Life Animal Haven started in 1993 as a 501c(3) nonprofit organization run entirely by volunteers and we are dedicated to no more homeless pets. ALL of our animals are in foster homes and preparing to become a member of your family!*

## Good-bye Dan Smith

This year has been a rough one by losing a 30+ year volunteer who was much more than that! Dan was our chef, Santa, Labor Day setup, and all-around kindest heart for the animals! FFLAH will miss him terribly. Hug your family and let them know how much you love them!

#### From the Editor

Are you ready for a disaster? Can you transport your animals safely? This year around the country have been floods, fires, and strong winds that have displaced many families. Pets were scattered with many looking for their families. To help with the safe transport for future disasters, FFLAH has many 24" metal crates and cat carriers to give away to anyone who may need them. Please just let us know at [fflah@hotmail.com](mailto:fflah@hotmail.com) and we can arrange to get an item to you.
